Friday 3rd June to Friday 10th June: The SEA Residential Equestrian and Landscape Workshop 2022

AT NORTHMOOR HOUSE, DULVERTON, SOMERSET, TA22 9QG

The Residential Workshop returns in 2022 (Covid-19 permitting) by kind permission of the owners of Northmoor House. **Please confirm your BOOKING EARLY as places will be allocated strictly on a first come first served basis.** We are trialling this beautiful new venue, the workshop will take a slightly different format to Porlock, and will include some landscape work to help artists learn more about placing a horse in a landscape. Facilities are also different. This Victorian Villa has been sensitively restored in a manner faithful to its original style, and each bathroom is shared between two bedrooms. We are looking forward to exploring this quirky rambling house and the surrounding landscape. Admin will do their best to allocate rooms so that friends are sharing bathroom facilities. There are no separate shower facilities though there is a wet room on the ground floor. Please also note that there are no locks on the bedrooms. Bedding is provided, though you are welcome to bring your own if you prefer. You will need to be reasonably mobile to navigate the first and second floors of this property. Do have a look at Northmoor on their website to get a feel for this beautiful home <https://www.northmoorhouse.co.uk/about> If you are planning on sharing please indicate who with. A Booking Form is attached for you to complete. If you are unable/do not wish to attend after 1st May any monies held by the SEA will be refunded less a £100 administration fee.

If you cannot commit at present, you can also elect to be put on the waiting list in case there are available spaces. Don't forget it is also possible to book self catering accommodation nearby and join the residents for all meals.

Please can I also draw your attention to the Risk Assessment. The Society can take no responsibility for any person attending suffering from or contracting any Covid related illness and you will be attending at your own risk. Do not attend if you are feeling unwell or have been in contact with people with Covid -19 symptoms prior to the workshop. You will be expected to sign the risk assessment which includes a Covid -19 disclaimer immediately on arrival.

Northmoor House have implemented their own Covid-19 protocols and has committed to Airbnb's 5-step enhanced cleaning process, a set of standards developed in partnership with experts, for the times of COVID-19 and beyond. Northmoor House has worked hard to follow Government and industry COVID-19 guidelines and has a process in place to maintain cleanliness and aid social distancing. You will be expected to follow whatever protocols are still in place in June.

Bookings should be paid for in full by 1st May 2022. Accommodation in the house is available from Friday 3rd June after 4pm, to Friday 10th June. Rooms to be vacated by 10am on Friday 10th.
